The Story:

Not sure if it was just an act but I found her very sweet and innocent. She is happy for you to take the lead and show her the way! Bailey seemed to enjoy me having my naughty ways with her, which was very enjoyable for me of course. Not much oral given but she did give eye contact when she was sucking. Sex mostly with her on top, looking at her pretty face was a treat. I finish the punt with her bent over and me giving it to her doggy style. Nice and pleasant hour.
