AS previously reported, a nice clean well appointed flat in the centre of town. All mod cons and a great shower.

The Lady:

Well, much better looking than the pictures on her website suggest

The Story:

Amazingly, Paris was able to fit me in at short notice - i didn't confirm until 5ish, but I don't think that htis is the norm. And I'm very glad that she was free.

Great time had by me, especially after the week I've had. Paris was very welcoming and a great massage was followed by all the usual stuff, OWO, etc. She also was very accomodaing when it came to trying out a bit of a fantasy of mine, and agreed that she would bring a friend along next time. Which would be great, but then it would take away from spending time with just her, a very precious commodity.

I cannot recommend her highly enough. And the restaurant recommendations she gave were also top notch - just what I needed.
