Kim is a shapely and statuesque lady in her early 40's, with an attractive face, short brown hair, an hour glass figure, gorgeous boobs and lovely long legs.

### The Story:

This was my first tryst with a lady in Bath following my recent relocation west. I found Kim's details through a local paper and our assignation was easily arranged by phone. I arrived a little early, but that did not worry Kim, who welcomed me into her well-appointed basement flat dressed in a skimpy pink outfit, stockings and high heels - a sight for sore eyes, indeed! She asked me what I was seeking, and I explained that I was a naughty boy up for most things. The money sorted, I disrobed and Kim treated me to a first-class massage with oil, something I hadn't enjoyed for a while. She made excellent use of her pendulous boobs, which soon got me going! Then it was on with the rubber jacket and Kim went down on my burgeoning member. I soon repaid the compliment, licking eagerly at her moist and welcoming pussy. Kim then mounted me, but unfortunately I was quite hard enough, so I stood up and she took me in her mouth again. That did the trick, and I mounted her doggy, which Kim certainly enjoyed. I pumped away hard and soon she came enthusiastically. Then I took her missionary-style, and boy, she came again! Unfortunately I wasn't at my best, and with my ageing years didn't quite manage to cum myself - well you don't always at 60, do you?

Overall, I certainly found my time with Kim a thoroughly enjoyable sensual experience. Look her up if you're in Bath or Bristol. I'll certainly be back to see her again soon myself.
