The Lady:

N/A There were actually at least 7 attractive ladies that pleased me, some more than once. I am actually reporting on 3 parties at the same establishment beginning with the above date and also the following Tuesday and Thursday.

The Story:

I enjoyed all parties very much. The venue is a clean, comfortable house. Valuables safeguarded and a variety of delicious finger food provided. All the ladies of varying ages and ethnicity were very friendly. I enjoyed different sexual positions with the ladies that were eager to please.
