The Premises:

Usual place in Burton near Tesco.

Scary thing though the receptionist(who knows me well)was wearing a face-pack and decided to hide behind the door of the hallway!I think had it been my first visit I would have run like hell.

The Lady:

Thirty-something Chinese lady. Long dark hair and quite pretty. Nice pert tits with erect nipples and a bit of black hair around the muff. Limited English.

The Story:

Only peck of kisses. Long and relaxing back massage. If I was cynical I would say purposely long to cut down the time for the bed action.Covered oral having declined to give me OWO for extra remuneration pointing in her mouth and saying "sore". Fucked her doggy and then mish with her legs over both shoulders. Satisfactory punt but had much better there. Will return as girls change every week.
