The Premises:

The flat is part of a complex on Edgware Road. Very discreet, but not great. The state of the communal areas (and the smell of urine) made me think they were council flats. The inside of the flat seemed ok, but the shower is not very good. It either gives super hot or cold. nothing in between.

The Lady:

She is the lady in the pics, but they are seriously photoshop'd. I did not recognise her at first. I had to ask who she was. I know it was her by the tattoo on the right shoulder.

The Story:

I was stranded in London due to work and just wanted to have a relaxing time with someone fun. Olina told me Raina was a "bit like briony" (my fantasy girl) and offer all services. No she doesn't. I've always used Olina's so I was a little disappointed with her on this one.

When I arrived, there was no assisted shower and did not get the greeting and warmth I expected. She did offer me a drink to be fair. I showered on my own.

She was wearing a teddy and panties, but not what I asked. I let this go. She tried to whip off the teddy and go straight for owo. No foreplay, nothing playful. It almost felt like a chore. After telling her to slow down, I tried to kiss her. She wasn't liking that. tongues or no tongues. I have a very neat\trim beard... think tom cruise in collateral damage. She didn't like it and didn't want to kiss me at all.

owo was ok. DATY was nothing memorable. Massage was ok. I was so uninterested by her half hearted effort, the rest was ok'ish. I lost interest and brought myself to climax without her. I showered and left.

I usually go for oriental girls as they usually offer a reliable and affectionate service. Raina seems to be a nice girl, but it is clear she doesn't really want to do this. I felt I had wasted my money, especially when there girls like Marie (007) and Shakira for ?150.
