The Premises:

Can't complain about Annabellas - always top notch.

The Lady:

Can't recall how many times I've been to see Sally but i swear she's getting lovelier every time (even though she ALWAYS complains about her weight!). I am very biased though, she could wear a pair of overalls & still turn me on! Now there's a thought.....

The Story:

Not going in to any detail. I find Sally a lovely person, chatty (& i mean CHATTY!!) & a real joy to be in the company of. It always feels a chore to have to get on with the 'business in hand'! As we all know, men can't multi task, so we can't chat & shag at the same time.. As much as my last visit to see Jayne at Bellas was nice (about a month ago, when Sally had originally been rostered on, but was off sick on the day - likely story...). There really isn't any comparison.

If my aimless rambling doesn't make you want to see her & i can understand it probably doesn't. Just go & pay Sally a quick visit, you'll find out what a real star she really is.
