The Premises:

Nr motorway M6 J5 told to pull into a cul-de-sac and call again, plenty of parking and a discrete entrance to first floor of a low rise flat which was clean and tidy.

The Lady:

Helen is a lovely mature woman i would say in her late 40's she is tall and curvy with natural full tits and a shaven pussy. blond hair and a sweet voice.

The Story:

i had the girlfriend experience and after a relaxing back rub and ball tickle helen gave me a fantastic blowjob i dont know what it is but she is so good at it, maybe its her pierced tongue or the way she really enjoys what she does with plenty of eye contact and deep throat, i didnt get to fuck her pussy because i was too busy fucking her sexy mouth. i will definatly be back for more of the same so guys treat her nice she is special.
