The Story:

Sitara is a sexy and beautiful 110% young Indian lady. Her sexy Indian accent added to her authenticity. Before we started I asked her to put on an indian outfit which she happily did. She left the room for a few minutes and returned wearing a beautiful blue one. She looked absolutely beautiful, seeing her in that outfit almost made me want to ask her to marry me (not that I would of obviously, but it felt like a forbidden traditional Indian girl experience). We started with a little light massage, one thing lead to another and before I knew it she was giving me covered oral, which felt wonderful. She rode me for a little while, the sight of her boobs bouncing was such a turn on, I didn't think I would be able to last much longer. I managed to contain myself and finished in mish. I had a wonderful time with the beautiful Sitara, I will be visiting her as often as is financially possible. I would like to keep her just for myself but obviously that's just not possible!
