The Premises:

This walk up is on a busy street, but at this time of day it was less so.

The Lady:

Olivia is a slim, East European brunette with a lovely body. I'd say she is probably in her early 20's.

The Story:

I fancied a quick lunchtime session and I paid for sex and oral in one position. Olivia lifted her C cup boobs from under her black bra and I gave them a quick suck and fondle. She gave me covered oral which did the trick. Sex was from behind with me standing. She has good legs and a lovely bum. I only took a couple of minutes to come.

I would go again to spend a bit more time on those lovely boobs.
