The Premises:

reasonable area with parking nearby in Lidl car park, entrance was through a doorway into an alley between two shops; discreet and safe. The parlour itself is clean and presentable, and, speaking as newbie, I felt at ease.

The Lady:

Kandy is a friendly black lady originally from south africa, slim with an amazing arse and nice responsive breasts.

The Story:

At vip, you are met at the door by friendly lady who takes you upstairs to a waiting room. Kandy popped in to say hi and then the first lady came back to ask what I wanted, so I opted for the 15 minutes and I was shown to the bedroom. Kandy entered a few minutes later with my change and a drink for me (which I'd asked for).

I undressed and she grinded my groin with her arse while I unclipped her bra. She has a nice slim body and great tits so we groped for a few minutes before she dropped to her knees and slipped a condom on my cock. covered bj was very good with a lot of deep throating and she was quite happy for me to thrust. After a few minutes of this she climbed on the bed at my request for doggy style. As I've said, her arse and narrow waist look amazing and made for a great doggy fuck.
