The Premises:

The place was clean and tidy with fresh towels.

Bentleys can be found down a side street next to the mother macs pub with plenty of parking.

The Lady:

Natalie is a ultra curvy young lady, but with an hour glass figure,21 about 5'7',blonde, cute face, and smile, has a good handful of boobs, [and the highlight]...a very BIG BUTT.

Pics on website but not great,just the booty shot in the mirror which spurred me to make a booking.

The Story:

After paying my fee and taking a shower i was joined by natalie and swiftly got to work rubbing baby lotion all over her vast butt followed by some assworship,kissing,putting lotion on her titties then sucking and fucking them hornily.

Her giving me oral and me doing the same back made missy come buckets when with the introduction of the condom the fucking began.

First up was doggy,then on her belly with me on top,then mish,legs spread wide,then cowgirl,back to doggy,more assworship,then finishing with me wanking my cock between her lush cheeks while talking filth and coming all over her super,juicy,awsome booty,leaving me shattered.
