The Lady:

As per her pictures on the ukescorts.com website - as is the usual case she is even prettier in the flesh.

The Story:

Difficult to know where to start - early 30's, very fit body and a very active mind - does not suffer fools (or timewasters). Honesty is the best policy if you want to "connect" with Lara.

If you "click" with her then you will have a great time - "wham bam thank you maam" she is not - but with the normal courtesies, you can expect a sensuous and all embracing time (OWO is a yes/ CIM - her option/ Reverse is well received and enjoyed - her nipples/breasts are incredibly sensitive!!!). She is into massage so lie back and enjoy and the oily HR is a definite plus plus plus.

She likes her share of chocolate pudding & white wine!

I have enjoyed her (company) immensely over the past 4 months - in keeping with the spirit of the board/community, it is time to spread the word about this attractive lady so that other Southerners can enjoy her charms.

I hope that this report brings her the uplift in exposure that she merits but hopefully not at the expense of not being able to see her again!
