The Lady:

ive reported on ella before and of course she is absoloutely perfect looking and the sex is always great !

The Story:

ive waited six months to report on her again cos my next visit to her left me vowing not to see her again. We only did what she wanted to do and she criticised the way i did almost everything. at one point she even laughed when i went for a sideways 69. usualy she wants to be in control but this time she made me feel bad cos i wasnt pleasing her. i am a customer after all having paid 110 but it was all about her. she even told me she cud tell i worked with machines (im a driving instructor)cos i was so mechanical with women ! after i licked her pussy she told me that at least that wasnt too bad ! its a shame shes so self centered cos she is fantastic but no way will i see her again
