The Premises:

Hotel room which was rather standard but clean and comfortable. Kelly excused her late booking of the room and that she normally has a better room

The Lady:

Pictures are 100% correct and she is well shaped and thin.

The Story:

Kelly is very proactive, has a wide range of costumes with her and sex toys! She is a kick-starter and enjoyed the action very much. I think she enjoys it but she could be a bit more relaxed (maybe it was due to me being a first time client). It was great to talk to her and i will visit her again.
