### The Premises:

Well reported, easily the best establishment in the South of England.

### The Lady:

Sally has some great pics on the website, although the cliché that she is better looking in the flesh is very true in this case. 10/10.

### The Story:

I'm not sure I could say for certain that Sally is the most beautiful wg I've ever met, not least because there is some very stiff competition at HOD, but she is certainly one of the top-3. A previous FR mentioned a resemblance to Kate Lawler, but Sally is MUCH hotter. A better comparison came in the FR that said she could be the third Girls Aloud member after Cheryl and Sarah, although I'd still rather shag Sally.

Of course looks aren't everything in this game, and there are plenty of hotties that don't deliver in the bedroom or aren't very likeable. Happily, Sally is perfect in both of those respects too. She's very responsive, warm, friendly, intelligent and great to talk to.

Without poring over every detail, Sally provided the perfect GFE. Loads of proper french kissing, OWO and passionate sex for round one, followed by a massage and then same again for round 2. I'm sure there was a grin on my face for at least 24 hours after our encounter. One hour wasn't anywhere near enough time with this gorgeous babe.

Sally was top of my 'must-see list' beforehand, and is top of my 'must-return list' now. Thanks babe, you're a superstar.
