The Premises:

My home, so very fit for purpose!

The Lady:

Says that she's 48yo, and, if so, is a very well preserved woman - one who is only three weeks new to this punting business. She's very curvy, with cracking legs (esp. her thighs), fantastic nipples (talk about raspberries ... !) and short dark hair. Her pussy lips are gorgeous - beautifully formed and prominent.

The Story:

I found her on another site, which will be nameless, and onto which I hardly ever venture (mostly because it is so user-unfriendly).

Apparently, she only does outcalls, and only within a ten-mile radius of Worcester.

She arrived ten minutes early, and had brought along her French Maid's stuff, incl. stockings, suspenders and high heels. Betty gave quite exceptional deep OWO, and DFK'd greedily. She seemed to enjoy it when I returned the compliment with a bit of RO.

Stayed talking afterwards, with not a hint of clockwatching. I hope (and believe) that I've found a real treasure here. Treat her well, and remember that she's still very new to this. (To repeat: only within ten miles of Worcester.)

I'll be seeing her again very soon.
