The Story:

Don?t be misled by the quiet, shy introduction in reception. Sienna is the business. She knows the true meaning of GFE. I have seen her on a couple of occasions and both were memorable. This time I saw her on a day when the mind was very willing but unfortunately, the flesh was proving to be a bit weak. She took it in her stride. Her OWO was exceptional and worked wonders for me and what followed was an excellent, no rush GFE encounter which will definitely have me going back for more.
