The Premises:

Her place was an ex local authority block of flats in Aldgate East. Very scruffy and dirty and did not feel altogether safe.

The Lady:

I had arranged to see Carolina with her friend Patricia, both were advertised as teens. They were quite young, early 20s and quite pretty and friendly to begin with, Polish girls.

The Story:

I asked on the phone what services they did and was told owo and lesbian show would be no problem. I went along and the girls told a very different story to the one I had been told on the phone. In essence I spent ?120 for 15mins of chatting with them about their services. the girls were not very clean, they had not shaven and it was very off putting. The maid gave me ?40 back and sent me on my way.

I cannot recommend these lot, they are not interested in service just money. Be careful around there as I left there seemed to be a lot of policemen about, many in plain clothes, it looked quite dodgy.
