The Premises:

Very nice apartment in very up-market central location. Wonderful and classy bedroom and bathroom. Definitely no safety issues

The Lady:

Absolutely fantastic looking girl with stunning features as in her pictures, though her breasts are more B than C. That said she is still an extremely beautiful girl.

The Story:

It's almost intimidating just how gorgeous Gina is but she made me feel at home and she guided us easily through to the bedroom.

I was treating myself as when I'm spending this kind of money on an escort I want the very best and I'm not sure it paid off.

She has great smile, a warm personality and we kissed intimately for ages, but I've had all that before without paying so much

Her sexual performance is good, as to be expected, I lost myself for ages giving her oral and when we swapped it was perfection to come in her mouth.

In all, Gina is a lovely, beautiful girl, but didn't stand out from the rest
