The Lady:

A stunning slim but busty girl in her early twenties with beautiful long black hair and lovely deep brown eyes. I was taken back by how stunning Amina was! Photo's are accurate.

The Story:

She invited me in at the door with a sexy little black skirt and bra, she looked hot, hot hot! She has a very pretty face as well as a smoking hot body. My mouth was watering just looking at her, she looked delicious and I was looking forward to tasting her. She is soft spoken and has a shy why about her, but don't let that fool you, this girl is a sexy lady who knows what she is doing. She started by giving me a nice relaxing massage. We had a little chat and got to know each other a little better before we went on to the good stuff. Covered oral was nice and slow. A little taste of her pussy and I was ready to take her from behind, boy what a sight. I had a wonderful hour with this genuinely nice and sweet girl. Amina is a first class lady and she will definitely be seeing more of me.
