### The Lady:

22 year old Czech girl with long blonde hair (some extensions), great figure, beautiful face and a lovely personality.

### The Story:

Bionca opened the door wearing a glitzy blue dress which was soon removed to show off her true beauty...and when I say beauty I am not exaggerating. She is an absolute stunner!

She lay me back on the bed and after some sensual kissing started work on the wee man. She was going at it hell for leather, giving a full PSE with plenty of spit and I soon had to stop her so that I didn't cum too soon. A bit more kissing and she was on top, riding me like a rodeo rider, then it was on all fours for some deep doggy. As I was in the position I asked for anal which she duly obliged and soon I was leaning over her back, holding her breast with one hand, the other working her pussy, while I was deep in her ass pounding away. Incredible!
