The Premises:

Discreet City Centre location off Hagley Road. Safe quiet area with good secure parking nearby. Walking distance from New Street or Five Ways railway stations.

Clean apartment with good facilities for showering etc. The furnishings were all soft and comfy which added to the whole experience.

The Lady:

Slim lovely 5'4" figure, just the right size, curvy in all the right places. Really lovely bum that I couldn't keep my eyes off. Smooth soft skin, and legs that I loved stroking with my hands. Classy pink lace lingerie made it all a perfect sight to behold.

The Story:

I first met Sukky some time ago, and have now seen her a couple of times. She has a gentle and really friendly personality, and she is very accommodating to my needs. She is a delight to be with. She made me feel very comfortable.

It was a true boyfriend and girlfriend experience, and watching her lovely cute bum while we did it doggy style was just too much for me. Fantastic.

A lovely person. Can't wait to see her again soon.
