The Story:

Zara was on one of her regular tours so I'm not sure about the date but the rest of the details are as clear as if it just happened.

Zara led me in to the bedroom and once the financial side was out the way, stood next to me kissing and running her hands under my jacket and undoing my shirt. After a bit of a laugh getting my trousers off we lay on the bed, rolling about with her hand working the Booby and my fingers between her legs. The way she worked the wee man, along with the mutual groaning and the kissing nearly had me shooting my load so I had to stop her and slow it down. It didn't take long to speed things up again and soon she was giving me an unbelievable BJ where she held the helmet in her teeth and flicked her tongue over the tip while rubbing my sack. This got me going and I lifted her on top of me for some reverse cowgirl. As she was working away I started sitting up so that she was almost on her hands. I stood up and held her waist so that she was upside down. She hooked her knees over my shoulders and as I lifted her she pulled the jacket off and carried on with more OW. This had the desired effect and I was soon shooting my load in to her mouth. At this point my legs almost gave way and I fell back on to the bed.

Zara usually travels with Chelsea Brooks and she suggested next time she visits I try a "2 girl fantasy" with both of them. I can't wait!!!
