### The Story:

Made me feel relaxed straight away, she has a very relaxed girlfriend style. Started with kisses and cuddles, kissed and sucked those wonderful breasts, and then very good owo. Followed this with RO, which she reeally seemed to enjoy. Sex in missionary and doggy finished with us both having an orgasm. Cuddle and a chat to finish, just wonderful. She doesn't do CIM, but to be honest I didn't miss it. She's a real gem, proper GFE.
