The Story:

This was the second time I've seen Lucy, my first regular punts for a while as I've been more into the massage and HR scene recently.

A very pleasant re-introduction to the more normal form of punting, Lucy answered the door in a short denim skirt, and I'm a sucker for short denim skirts, so that was a plus right from the start. Excellent OWO with very nice soft ball tickling and licking which does it for me every time. Unusually for me, I finished with full sex instead of just the oral. Lucy seems to offer a very flexible service considering it was just a quickie, and I definitely recommend her.
