Lovely flat I'd been to before. Very clean and secure

The Lady:

Crystal is a big girl - not my usual type but still pretty. She's no visible tats, and has long (dyed) blonde hair.

The Story:

I called up on the off chance that Daisy, who I'd seen before here, was working but I was out of luck. The maid asked me if I'd like to see another girl instead and I thought why not.

Crystal is a BBW, not my usual type but she was very friendly and welcoming, and I had walked all the way up from Waterloo so I thought why not. I'm glad I did - a really good massage (apparently she's a professional) was followed by a decent BJ (Covered) and then some rather vigorous sex. Unlike most working girls she was keen to be fucked hard and wasn't shy about telling me. I pity the neighbours :)

All in all a very fun punt
