### The Premises:

Nice area in a quiet street with on street parking easily available. Her apartment is nicely decorated and clean.

### The Lady:

She is gorgeous in the flesh, you just can't beat her smile. But for a memory etched forever in the brain, its her arse as she's bent over.

### The Story:

I've seen Samantha before, about 3 years ago. She hasn't changed a bit, except perhaps get better looking and even more spectacular. This is that perfect hybrid of PSE with a friend. Very lively and truly has a great time and makes sure you have an even better time. All I regret is the three year gap in going back to see her.

I just hope my schedule allows me to see her again before she decides to hang up her heels!
