The Premises:

On the main road, safe area.

Long way up the stairs, room is quite small, shower only as the bath would take too long to fill.

The Lady:

To me Suki is almost perfect! Her body is completely natural, perfect curves, fantastic full lips. If she was a little taller she would be a model (In my opinion).

The Story:

This is a review I don't really want to right as I (I know it's a cliché) I wish I could keep her to myself. We start with some kissing, move to OWO, reverse O then onto 69. She has a great body and I love kissing and licking all of it. When I'm ready we kick off either with her on top or missionary. It typically finishes in doggy.

Her massage is great, good conversation during the massage and then she arouses me for a second coming. Last time I visited we had to go over time to finish the job but she didn't complain.

She is (appears) genuine, she doesn't give the impression she is acting, which is my pet hate.

I will always return and I would recommend (begudgingly I'll share her with you).
