The Premises:

Nice place could do with a bit of update. But i wasnt there to look at the wallpaper.

The Lady:

The only thing you can say about Nicki is that she is out of this world.

Nice pert tits and she tasted so good. And what a arse she had.

The Story:

Had a shower and Nicki came in just as i was drying of. So it was on to the bed for a bit of a rub down. But i wasnt there for that, So i turned over so she could wrap them lips of hers round my now cock. About 10 mins of that when i had to repay her so down i went and how good she tasted. I could have stayed there all day. And after making her cum (and who am i to not belive her). It was on with the hood and bent her over and just looking at her nice pert arse was great.
