The Story:

Megan opened the door and I was greeted with a vision in black lace and an oh so cheeky smile. I took the offer of a shower, drink and made my self comfortable on the bed. Megan was straight in to it with some OWO. Oh so deep! Lots of eyes contact, gagging, spitting, that cheeky smile again and I swear she bit me. Too far gone to care. She broke off to lay back on the bed with her head over the edge, asking if I'd fuck her throat. At least I thought she asked, wild horses wouldn't have stopped me! To be honest the rest of the time was a blur, Megan on top looking awesome; she has a fantastic body and she knows how to use it. Her tits are gorgeous and I got to slip my cock in between them. Sex was heavenly and a personal favourite of mine was Megan on her back with her legs high and wide. Gets me going every time. Finished CIM. She is sex on legs!
