The Premises:

This upstairs flat is located above a parade of shops. It is about a 10 to 12 minute walk from Eltham rail station. Typical of these establishments, there is a white iron gate at the top of the stairs to prevent intruders.

The Lady:

Alicia is a very busty Chinese/Thai girl, quite slim despite having 34 E boobs. They are natural too and look huge on such a petite girl.

The Story:

I opted for uncovered oral & sex. The session started with a good massage which didn't make me sleepy as I was looking forward to those boobs. When I turned over Alicia gave me uncovered oral which got me even more in the mood. The covered sex was from behind and after a few minutes I pulled out and Alicia turned over so I could come over her boobs.
