The Story:

This girl is a delight. Nice cheerful voice immediately answered buzzer? great start. Absolutely as cute as the photos. Melting brown eyes and a lovely smile. Shapely sexy body against me and a deep kiss. Wriggling around me to get her tongue in very naughty places. Absolutely no hardship to return the compliment :) and some nice hard fucking on the bed only slowed by the fact she made me want to come almost immediately. A breather and a few words then another sweet tight hole and coming as she begs filthily for me to finish deep in her arse?mmm. Forgive the prose but overall she?s WAY above average. Involved the whole way plus nice conversation. Took me slightly oversize both ways no complaints. Shes clever so you can swap logic too if you like. Left happy but could have easily have stayed for more. Shes in a class of her own. Will be back for sure.
