The Story:

all i can say is different class,sabrina entered the room and i was stunned how beautiful she looked,have seen her photos on web site but looks even better when you meet her,gave me a soft kiss on lips then we sorted out paperwork and i got undressed and lay on bed.what happened next was mind blowing,sabrina immediately started sucking my cock owo her making eye contact continuously she really knows how to suck cock,had to stop her after 10 mins or would have come,asked to sit on my face,very fresh and silky soft cunt,rimmed her ass,she was loving it,sabrina then told me she wanted my cock in her wet cunt,so on with raincoat and sabrina got on top,great fuck as she really gave it some,then we changed to mish and i banged her as hard as i could and she really seemed to enjoy this by the sounds she was making,then moved on to doggie and sabrina talked dirty as i slammed her, could not hold out any longer and came buckets in her tight pussy,all in all the best 60 quid ive spent in london,thank u sabrina think i will get addicted!! x
