The Premises:

In a hotel just off Hanger Lane. Room was a bit shabby and messy, although Jenna was preparing for holidays, which could account for the mess. Felt safe, although old lady in the hall was a bit strange.

The Lady:

Jenna is English, 5ft 2, dyed blond, with a few tattoos, mainly stars. Nicely tanned, with a nice trim figure and lovely soft skin.

The Story:

Having read a few reports on Jenna in various places, I thought she sounded worth a visit, despite my going for older women normally. Booked two hours, as I like to get to know the person.

We started late (partly my fault, but she was also running late), but once underway, something about the meeting just felt 'off'. She looked as per her descriptions and was friendly, but she seemed more interested in the vintage film on TV at times, a lot of our time was spent cuddling. At one point I wondered if she had fallen asleep.

The services provided were good, although didn't seem keen on FK, couldn't touch nipples as too sensitive and having said I could cum over her breasts, she nearly jumped off the bed when I did. In the end, I called an early end to proceedings and left with half an hour to spare.

As I say, something just didn't click. Perhaps it was just me, or perhaps she was tired or pre-occupied with her holiday, but it certainly wasn't my greatest punt ever. That said, she is genuine and at the prices she charges is good value for money. However, I won't be going back.
