The Premises:

Her ground floor flat is on a very pleasant side-street, just off a main road, and very easy to navigate to. I was asked to call from the road and it was then moments later that I was walking through her front door.

The Lady:

A lovely looking lady who is dressed to aroused you immediately, she was wearing a very sexy Torsolette.

Ria has lovely soft lips and very toned body which I can account for. Her body is very fresh, and she has impeccable hygiene. She is very youthful in how she feels.

The Story:

On arrival she led me to her room. We agreed an hour and disappeared for a while. We did spend some time at the beginning with an impromptu lesson in English sayings; and I accepted the time in lieu at the end.

I very much enjoyed owo and reverse and protected each-and-every-way. After a break we continued again and we made up the lost time at the beginning in spectacular fashion.

Ria is a very sexy woman who will please you as a priority.
