### The Premises:

Just north of Copacabana beach...I mean MKCentre!

### The Lady:

Petite 21yo Brazilian samba queen, curves in all the right places, but nicely firm too. Her dark caramel skin was smooth as the sand at Ipanema and sweet-smelling as tropical jasmine. Large firm boobs for such a small frame, nice long perky responsive nipples. Inside her G-string bikini there's a shaved pussy with deep pink fondant inside her neat chocolate labia. Cheeky, smiley, pretty face and long dark hair. I found her very attractive and exotic.

### The Story:

Sweet kisses straight away as we caressed each others bodies standing up. I think she likes big strong guys to pick her up, because when I did this she wrapped her legs around me and got quite excited snogging me deeply. On the bed she offered me her boobs, then started a slippery OWO. On with the protection, she climbed on cowgirl and gyrated those samba hips. She loved it deep and hard as well as slow and gentle in mish, all the time encouraging me with her soft moans, flashing eyes and naughty comments. More OWO then an oily handjob, we finished just on time masturbating together.

Sensual, passionate, friendly, beautiful, exotic, wholeheartedly recommended.

Te amo minha querida! Ate amanha!
