The Story:

I'd been thinking for a while that I'd like to try a party and after a little research I decided on Lady Marmalades. This was based purely on the number of girls in attendance, the 2:1 ratio and the times which suited my schedule. I have to say I'm so glad I chose Ladys M's as the whole experience was way beyond my wildest expectations.

This party was attended by Angela, Antonia, Jasmine, Izabella, Jodi, Karina, Monique and Victoria and there were 14/15 male guests so there always appeared to be at least 1 end of a girl free at any one time. I managed to 'party' with 6 of the 8 girls in attendance and each and every one of them was stunningly gorgeous, enthusiastic and above all enjoying themselves. The action started bang on 1.00pm and didn't let up until 3.00pm so the only rest time is at your own discretion. If you have the stamina you could quite easily party for the full 2 hours, just so long as you don't hog any one particular girl, the first thing the charming Lady Em will tell you is the Lady Marmalade motto, which is "Caring is Sharing"

In summary, I have to say LMP is an amazing experience. The hosts are magnificent and will bend over backwards (metaphorically speaking of course) to ensure your experience is a memorable one and the girls will also bend over backwards (literally in their case) to ensure you leave with a smile on your face and fully drained of fluids.

I can assure anyone who is thinking of taking the plunge that you really do leave your nerves at the front door. The whole set up is so relaxed you can't do anything but enjoy yourself.
