The Premises:

Very clean and very nice flat, spacious with wooden floors and freshly decorated.

Very safe area near in a lovely road very near to Earls Court tube station.

The Lady:

Tall and slim about 5' 7" size 8 - 10. Gorgeous body very tanned, toned, full breasts about 36 D, lovely long silky dark brown hair, very pretty face, lovely smile and gorgeous sexy eyes and she smelled divine!

The Story:

I asked for for a dominant tie and tease. From the moment Kate walked into the room I was in no doubt that she was in charge, she has a very sexy voice and explained to me in great detail what she was going to do to me and what she expected of me.

[She tied me to the cross and teased me wickedly until I could hardly take any more but she knew exactly how to keep me on the edge. Then she took me down and tied me to the bed where she allowed me to worship her fantastic body. She finished me off by riding me to the most explosive orgasm I can remember. She was friendly and chatty afterwards and did not try to hurry me out. It was a great experience that I cannot wait to repeat.
