### The Premises:

The Ambassadors Suite - I know it now, blue neon lights leading up to a nicely subdued and well appointed reception area, introduced to three ladies..

### The Lady:

...and couldn't decide on which one as they were all genuinely gorgeous and stunning but with completely different characters and looks. With the help of the maid, I settled on Karolina, and OMFG am I glad that I did.

Karolina is exactly like her pictures, even better I would say, as her personality does not come through in the photos.

### The Story:

Karolina, for me, is to die for. She is stunningly gorgeous with a very bubbly personality, fantastic body with natural full breasts, a gorgeous arse and pussy and also by her own admission, she is a very dirty girl!! - I should add, in the nicest possible way.

I love a PSE and Karolina offered just that, I have had some amazing oral before but I believe Karolina's topped them all, her kissing and willingness to lead me, for instance to the sofa by the large mirror so that I could admire her whilst fucking her from behind, was wonderful. on to the bed and lots more oral, 69, face sitting, and finally sex in various positions before taking the cover off and enjoying a fabulous BJ to completion.

I rarely visit a lady more than once, but I NEARLY went back for seconds an hour after leaving The Pump!!

I will be visiting Karolina again, next Wednesday, without fail!

One comment for feedback to Karolina, please can you use less smelly perfume/makeup/etc, my shirt stank of perfume the rest of the day..Mwah!!
