The Story:

Alex was very welcoming, relaxed and unhurried (perhaps because I had booked for an hour). She gave me a bit of a rub down while I got in the mood and proceeded to work me with her hand. Once she had me going, she sat me up and gave me the best tit job I think I've ever had, keeping me right on the edge for a good ten minutes. Then she turned around and let me take her from behind.

After a short rest and some more massage, she got me started again with a blow job. She didn't use a condom (which was nice), she licked and sucked my balls (even nicer) and she stuck her finger up my arse and fingered my prostate. That's never happened to me before. It was intense and, once I'd got over my surprise, very pleasurable. We finished off with her sat on top of me. Really satisfying session. Will definitely be back. Thanks Alex.
