The Premises:

Usual Flat address behind staples next to old HOD premises.

The Lady:

Tall not skinny but not fat just how I like them. Size 10 I would say with enhanced firm D cups. Lovely typical brazilian skin tone. Lips to die for that were made for blowjobs!! Very attractive.

The Story:

Kissing was firm but not full blown tonsil hockey, liked the taste of her lippy. Undressed eachother (I had a lot more on than her) and had a nice play with tits and body. Proceeded to standing OWO before laying down for more of the same. OWO was deep and tongue was well used. Ball licking was also very nice. Asked if I wanted a prostate massage (rude not too) which was nice but not as good as others. Sex was in cowgirl doggy and standing up from front and behind. Intended to go for a CIM finale but the standing up from behind looking into the mirror was too good.

Was out the door on time but started 5 mins late so slightly short but very enjoyable. Showed me out while she was still naked which was a pleasant end to a good professional experience. An 8 out of 10 I would say but could get higher now we are equainted. Recommended.
