The Premises:

Brooklynns is well known in crewe, well run establishment, onlu one fault which everyone comments on, no privacy for people waiting.

The Lady:

Mixed race girl early 20s, superb body toned and lovely shaped natural breasts, really pert probably due to her age. Excellent bottom and slim waist, wore a white all in one halter neck teddy which i was able to take of with great ease.

The Story:

She gave me a really slow and skilled massage using oil, then started work on my balls, knew exactly what she was doing, let her carry on for some time.

I decided that it was time to have a little more action, reverse O with her sighing in such a horny way and she used the exact words i told her to say wilst inside her.

Great linky little minx who enjoys sex and has a great body.

fully recommended, cant understand why she hasnt got more recommendations on here.
