The Premises:

Standard Palour, clean and nice shower and bath.
I felt safe, but then again I am a karate black belt

The Lady:

Very pretty young lady, slim (size 8?) figure, lovely long black.
Lovely Short White Massage Uniform (my request) which added to my experience.
Nice eyeshadow as well.

The Story:

I do not punt often and when I do, I tend to go for just a basic service with HR as I just like to relax and enjoy the experience.

Rachel does not chat much but that does not matter as it allow me to enjoy just watch Rachel do her magic in the different mirrors around the room.
Started off facing down for a massage (20min), then turned over for more massage, every so often brushing against my manhood. Perfect, just another to keet me hanging in there.(20min)
Then into the bath for some mutual caressing.(20min)
Then out of the bath and the grand finale (20min)

All in All a great Punt, I really enjoyed the caressing in the Bath, totally relaxing and erotic.
