The Premises:

Flat in modern block close to Paddington Station. Buzzer entry. Nice room, good bathroom with powerful, hot shower.

The Lady:

Brook is in her late 20s - a little older than the agencies suggest. Rather more petite than I was expecting with a lithe, tanned body. A smallish tatoo on her shoulder and a tongue stud. Mane of dark hair. Lovely smile. I found her very attractive. She also speaks great English as she has been in the UK for some time.

The Story:

I thought Brook was great. Very attentive, skilled and eager to please throughout. She accompanied me to the bathroom to help wash my bits, which I like, and on return we mainly indulged in lots of kissing, caressing, oral both ways - Brook's was very deep with lovely CIM. Conversation was good and the whole meeting relaxed and playful. She is away just now and it looks like she may be moving flat, but I am already planning how I can see her on her return.
