The Premises:

Spacious upmarket conversion, safe and discreet.

The Lady:

Two attractive blonde ladies in their 50s, 'the mature hunnies'. Claire has a trim figure with nice breasts, Trisha is petite, curvaceous and busty. Claire's pussy hair is neatly trimmed, and Trisha is smooth shaven, with a tattoo above her pussy saying 'Fuck me'. How could any man refuse.

The Story:

Both ladies were dressed for sex, Claire in an easy to remove dress with a zip down the front, Trisha in a skimpy number that showed her prominent nipples and her stocking-tops and suspenders. They are both good company, and we chatted for a few minutes before going through to the living-room. They are friends, and genuinely bisexual, and it was a huge turn-on to see them snogging one another and obviously enjoying it. Then I joined in and had my first three-way french kiss. As Claire put it, 'very horny'. I soon established that neither of them was wearing knickers. Before long they had me naked, and I was lying back in the sofa while Claire licked my balls and Trisha stood astride while I licked her wet and open pussy. Then Claire lay back on the sofa with her legs open and Trisha and I licked her together.

After that we went upstairs. The ladies by now were naked except for suspenders and stockings and high heels, and there was a lot more kissing and licking on the bed. Some bits were pretty mind-blowing. Trisha has a tattoo above her pussy saying 'Fuck me', so it would have been impolite to refuse. At one point Claire knelt astride me and brought herself off by rubbing my knob against her clit. I had the two of them together kneeling at the end of the bed while I entered them one after the other from behind. Claire features in adult movies, and really knows how to put on a show, though you it doesn't feel like a show because she is relaxed and seems to enjoy it all so much. While I was taking Trisha from behind Claire spread out a towel and lay back and masturbated with a double-ended dildo until she came and squirted.

I also had them lying side by side, moving from one to the other while they snogged and I joined in. Coming while I was inside Trisha and we were having a sexy three way kiss with another woman at

the same time was another experience to remember.

As well as being incredibly sexy, it was all very relaxed and friendly and good fun. Also there was absolutely no sense of clock watching. I paid for an hour, but when I left I looked at my watch and found it was more than an hour and a half since I arrived.
