The Premises:

Bungalow beside the A23 (southbound), reached via short drive. Very discreet, but getting on & off the A23 needs a bit of care due to speed of traffic. For more details see Sussex Scene website, look under West Sussex Parlours. Clean, but a bit untidy, though the room itself was fine.

The Lady:

Incredible, "built for sex" as another has suggested. Boobs good size and firm, but possibly enhanced - strangely I didn't get a chance to explore, so perhaps she doesn't like them having too much attention. Very bronzed all over, nice arse (no anal), and very fit - in both meanings of the word. Very attractive, about 5'6", around 28 and says she is Italian, though East European accent seemed apparent. Very friendly and enthusiastic, but likes to take charge (does domination, but didn't try). Her oral skills are excellent (she's keen to do OWO), and can do CIM. She very much likes lots of oral on her, and after me attending to her needs in this way for 15 minutes, I was rewarded with a nice extra at the end.

The Story:

Can't think of anything else to add to my comments above.
