The Premises:

Nice flat near MKCentre with plenty of parking and a discreet entrance. It was quite busy as I arrived at opening time, one punter stopped in his tracks to check his watch when he realised we were heading for the same place, another was being redirected to another flat as I entered the building.

The Lady:

Elise is a beautiful Hungarian Blonde in her mid-20s. The pics are accurate, but she's a lot sexier in the flesh and what they don't prepare you for is how the lustful gaze of her deep blue eyes penetrates you. She has a slim, lightly tanned body, with perfect natural c-cups, a sweet shaven pussy and lovely long legs. She has an obvious pigmented birthmark in the middle of her back.

The only negative was that, in common with many of the slimmer working girls, she is a smoker. Being a non-smoker with a keen sense of smell, I found it quite noticeable while kissing. Not a deal-breaker, but worth mentioning.

The Story:

I don't think Elise could have had any breakfast, the way she devoured me from the start. She was hungry for my mouth, ravenous for my balls, insatiable for my cock. I responded with equal voracity for her pussy, bum and boobs, she was enjoying it, bucking, writhing, moaning and flashing her eyes and teeth at me for encouragement.

She showed me her repertoire of positions: mish, doggy, cowgirl and reverse, there may have been more but we didn't have time so it was a frantic race to the finish with PSE-style OWO/handjob, spitting, licking, rubbing and sucking.

She sensed she needed to up the ante to push me over the edge, so she offered me her tight arsehole and encouraged me to slip a finger in. My vinegar strokes were timed with my middle digit thrusting up her behind as she squirmed with delight. Mmm, it still smells of Hungarian Goulash!!

Sexy, insatiable, very naughty, 100% recommended

Viszontlatsra, see you soon!
