### Details of Service Provider:

### The Premises:

Lovely room, well described before.

### The Lady:

Fairly attractive blonde in her early twenties, with enormous / fantastic 36FF breasts. Has slightly crooked teeth, but that'd only bother perfectionists...

### The Story:

Short on time and money, I just fancied a quick session with no thrills attached and that's what I got. I asked for oral sex and hand relief, and both were performed well, and she put in a lot of effort in to making me cum during the time limit.

On the downside, she kept her underwear on throughout, and wasn't that chatty, though she warmed up as I was getting dressed and acted quite flirtily, and I get the feeling from having read other fr's that the more you spend, the better time you'll have.

I'm not complaining though, as she did a good job, and for a bargain price, and whilst I probably won't return (what with their being so many girls out there, and that I don't visit Soho often these days), I wouldn't hesitate to recommend her to others.
