The Premises:

Great parlour, well reported, clean and discreet.

The Lady:

Stunning black girl, size 6/8, age 19 (no reason to disbelieve), great bubbly personality, clearly enjoys her work (if treated right of course)

The Story:

Lucky me! Monday is not her normal day she was covering (for Jade I presume) definitely one of the best punts in 17 years of punting, most of the half hour was spent giving attention to the best clit I have ever ever had the pleasure of, larger than average but not too enormous, the perfect size. Alicia was on the brink for quite a while, guiding me to 'hitting the spot' I was lovel to see her orgasm for real, on with condom and it didn't take me long to climax. Alicia is gorgeous and i will definitely be back (her sister, only slightly younger) was at the parlour, looks like she may be joining the team so look out for her.
